## Product Datasheet

### Human IL-27, Clone: [PSH03-82], Unconjugated, Rabbit, Monoclonal HBO-HA722046

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | Human IL-27, Clone: [PSH03-82], Unconjugated, Rabbit, Monoclonal                           |
| Artikelnummer            | HBO-HA722046                                                                               |
| Hersteller Artikelnummer | HA722046                                                                                   |
| Alternativnummer         | HBO-HA722046                                                                               |
| Hersteller               | HUABIO                                                                                     |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | ELISA                                                                                      |
| Spezies Reaktivität      | Human                                                                                      |
| Immunogen                | Recombinant protein within Human IL-27 aa 21-229 (Q8NEV9) + Human EBI3 aa 29-243 (Q14213). |
| Konjugation              | Unconjugated                                                                               |
| Klonalität               | Monoclonal                                                                                 |
| Konzentration            | 1 mg/mL.                                                                                   |
| Klon-Bezeichnung         | [PSH03-82]                                                                                 |
| Molekulargewicht         | Predicted band size: 27.5 kDa                                                              |
| UniProt                  | <a href="#">Q8NEV9</a>                                                                     |
| Puffer                   | PBS (pH7.4).                                                                               |

|                        |                                                                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                |
| Formulierung           | Liquid                                                                                                                                                                                                      |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH03-83] to Human IL-27 (Detector) (HA722047). The reference range value is 61.7-5000 pg/ml. |
