## Product Datasheet

### Rat IFN gamma, Clone: [PSH05-69], Unconjugated, Rabbit, Monoclonal HBO-HA722421

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Rat IFN gamma, Clone: [PSH05-69], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA722421                                                       |
| Hersteller Artikelnummer | HA722421                                                           |
| Alternativnummer         | HBO-HA722421                                                       |
| Hersteller               | HUABIO                                                             |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | ELISA                                                              |
| Spezies Reaktivität      | Rat                                                                |
| Immunogen                | Recombinant protein within Rat IFN gamma aa 23-156.                |
| Konjugation              | Unconjugated                                                       |
| Klonalität               | Monoclonal                                                         |
| Konzentration            | 1 mg/mL.                                                           |
| Klon-Bezeichnung         | [PSH05-69]                                                         |
| Molekulargewicht         | Predicted band size: 17.9 kDa                                      |
| UniProt                  | <a href="#">P01581</a>                                             |
| Puffer                   | PBS (pH7.4).                                                       |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH05-70] to Rat IFN gamma (Detecor) (HA722422) and recombinant standard Rat IFN gamma protein (HA210577) as the standard. The reference range va |
