## Product Datasheet

### Human IL-18BP, Clone: [PSH10-72], Unconjugated, Rabbit, Monoclonal HBO-HA723236

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Human IL-18BP, Clone: [PSH10-72], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723236                                                       |
| Hersteller Artikelnummer | HA723236                                                           |
| Alternativnummer         | HBO-HA723236                                                       |
| Hersteller               | HUABIO                                                             |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | ELISA                                                              |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant protein within Human IL-18BP aa 31-194 (HA210686).     |
| Konjugation              | Unconjugated                                                       |
| Klonalität               | Monoclonal                                                         |
| Konzentration            | 1 mg/mL.                                                           |
| Klon-Bezeichnung         | [PSH10-72]                                                         |
| UniProt                  | <a href="#">O95998</a>                                             |
| Puffer                   | PBS (pH7.4).                                                       |
| Reinheit                 | Protein A affinity purified.                                       |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH10-71] to Human IL-18BP antibody (Capture) (HA723235) and Recombinant Human IL-18BP protein (HA210686) as the standard. The reference range va |
