| Artikelnummer            | HBO-HA723464                                                                       |
| Hersteller Artikelnummer | HA723464                                                                           |
| Alternativnummer         | HBO-HA723464                                                                       |
| Hersteller               | HUABIO                                                                             |
| Wirt                     | Rabbit                                                                             |
| Kategorie                | Antikörper                                                                         |
| Applikation              | ELISA                                                                              |
| Spezies Reaktivität      | Human                                                                              |
| Immunogen                | Recombinant protein within Human CD155 / PVR aa 21-343 (HA210957).                 |
| Konjugation              | Unconjugated                                                                       |
| Klonalität               | Monoclonal                                                                         |
| Konzentration            | 1 mg/mL.                                                                           |
| Klon-Bezeichnung         | [PSH12-54]                                                                         |
| UniProt                  | <a href="#">P15151</a>                                                             |
| Puffer                   | PBS (pH7.4).                                                                       |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-55] to Human Poliovirus Receptor/PVRn antibody (Detector) (HA723465) and Recombinant Human Poliovirus Receptor/PVR protein (HA210957) as th |
