| Artikelname              | Human Alpha-Synuclein, Clone: [PSH12-56], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723468                                                               |
| Hersteller Artikelnummer | HA723468                                                                   |
| Alternativnummer         | HBO-HA723468                                                               |
| Hersteller               | HUABIO                                                                     |
| Wirt                     | Rabbit                                                                     |
| Kategorie                | Antikörper                                                                 |
| Applikation              | ELISA                                                                      |
| Spezies Reaktivität      | Human                                                                      |
| Immunogen                | Recombinant protein within Human Alpha-Synuclein aa 1-140.                 |
| Konjugation              | Unconjugated                                                               |
| Klonalität               | Monoclonal                                                                 |
| Konzentration            | 1 mg/mL.                                                                   |
| Klon-Bezeichnung         | [PSH12-56]                                                                 |
| UniProt                  | <a href="#">P37840</a>                                                     |
| Puffer                   | PBS (pH7.4).                                                               |
| Reinheit                 | Protein A affinity purified.                                               |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [JB42-33] to Human Alpha-Synuclein antibody (Capture) (HA723467) and Recombinant Human Alpha-Synuclein protein (HA211150) as the standard. The ref |
