## Product Datasheet

### Mouse IL-7, Clone: [PSH14-30], Unconjugated, Rabbit, Monoclonal HBO-HA723622

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Artikelname              | Mouse IL-7, Clone: [PSH14-30], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723622                                                    |
| Hersteller Artikelnummer | HA723622                                                        |
| Alternativnummer         | HBO-HA723622                                                    |
| Hersteller               | HUABIO                                                          |
| Wirt                     | Rabbit                                                          |
| Kategorie                | Antikörper                                                      |
| Applikation              | ELISA                                                           |
| Spezies Reaktivität      | Mouse                                                           |
| Immunogen                | Recombinant protein within Mouse IL-7 aa 26-154 (HA211019).     |
| Konjugation              | Unconjugated                                                    |
| Klonalität               | Monoclonal                                                      |
| Konzentration            | 1 mg/mL.                                                        |
| Klon-Bezeichnung         | [PSH14-30]                                                      |
| UniProt                  | <a href="#">P10168</a>                                          |
| Puffer                   | PBS (pH7.4).                                                    |
| Reinheit                 | Protein A affinity purified.                                    |
| Formulierung             | Liquid                                                          |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH14-29] to Mouse IL-7 antibody (Capture) (HA723621) and Recombinant Mouse IL-7 protein (HA211019) as the standard. The reference range value is |
