## Product Datasheet

### Mouse IL-17F, Clone: [PSH17-15], Unconjugated, Rabbit, Monoclonal HBO-HA723902

|                          |                                                                   |
|--------------------------|-------------------------------------------------------------------|
| Artikelname              | Mouse IL-17F, Clone: [PSH17-15], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723902                                                      |
| Hersteller Artikelnummer | HA723902                                                          |
| Alternativnummer         | HBO-HA723902                                                      |
| Hersteller               | HUABIO                                                            |
| Wirt                     | Rabbit                                                            |
| Kategorie                | Antikörper                                                        |
| Applikation              | ELISA                                                             |
| Spezies Reaktivität      | Mouse                                                             |
| Immunogen                | Recombinant protein within Mouse IL-17F aa 29-161 (HA211035).     |
| Konjugation              | Unconjugated                                                      |
| Klonalität               | Monoclonal                                                        |
| Konzentration            | 1 mg/mL.                                                          |
| Klon-Bezeichnung         | [PSH17-15]                                                        |
| UniProt                  | <a href="#">Q7TNI7</a>                                            |
| Puffer                   | PBS (pH7.4).                                                      |
| Reinheit                 | Protein A affinity purified.                                      |
| Formulierung             | Liquid                                                            |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-14] to Mouse IL-17F antibody (Capture) (HA723901) and Recombinant Mouse IL-17F protein (HA211035) as the standard. The reference range valu |
