## Product Datasheet

### Human ACE2, Clone: [PSH17-17], Unconjugated, Rabbit, Monoclonal HBO-HA723904

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Artikelname              | Human ACE2, Clone: [PSH17-17], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723904                                                    |
| Hersteller Artikelnummer | HA723904                                                        |
| Alternativnummer         | HBO-HA723904                                                    |
| Hersteller               | HUABIO                                                          |
| Wirt                     | Rabbit                                                          |
| Kategorie                | Antikörper                                                      |
| Applikation              | ELISA                                                           |
| Spezies Reaktivität      | Human                                                           |
| Immunogen                | Recombinant protein within Human ACE2 aa 18-740 (HAg2008).      |
| Konjugation              | Unconjugated                                                    |
| Klonalität               | Monoclonal                                                      |
| Konzentration            | 1 mg/mL.                                                        |
| Klon-Bezeichnung         | [PSH17-17]                                                      |
| UniProt                  | <a href="#">Q9BYF1</a>                                          |
| Puffer                   | PBS (pH7.4).                                                    |
| Reinheit                 | Protein A affinity purified.                                    |
| Formulierung             | Liquid                                                          |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-18] to Human ACE2 antibody (Detector) (HA723905) and Recombinant Human ACE2 protein (HAg2008) as the standard. The reference range value is |
