| Produktbeschreibung      | This gene encodes the microtubule-associated protein tau (MAPT) whose transcript undergoes complex, regulated alternative splicing, giving rise to several mRNA species. MAPT transcripts are differentially expressed in the nervous system, depending on... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Molekulargewicht         | Calculated MW: 79 kDa, Observed MW: 50-80 kDa                                                                                                                                                                                                                 |
