| Artikelname              | DNA Polymerase gamma (17H12) Rabbit Monoclonal Antibody, Unconjugated                                                                     |
| Artikelnummer            | EKL-AMRE10066                                                                                                                             |
| Hersteller Artikelnummer | AMRe10066                                                                                                                                 |
| Alternativnummer         | EKL-AMRE10066-50UL, EKL-AMRE10066-100UL, EKL-AMRE10066-200UL                                                                              |
| Hersteller               | EnkiLife                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                |
| Applikation              | WB                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                              |
| Produktbeschreibung      | Involved in the replication of mitochondrial DNA. Involved in the replication of mitochondrial DNA. Associates with mitochondrial DNA.... |
| Klonalität               | Monoclonal                                                                                                                                |
| Molekulargewicht         | 140kDa                                                                                                                                    |
| NCBI                     | <a href="#">5428</a>                                                                                                                      |
| UniProt                  | <a href="#">P54098</a>                                                                                                                    |

|                        |                                                                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4C short term. Store at -20C long term. Avoid freeze / thaw cycle. |
| Reinheit               | Affinity purification                                                                                                                                                                      |
| Formulierung           | Liquid                                                                                                                                                                                     |
| Target-Kategorie       | POLG                                                                                                                                                                                       |
| Application Verdünnung | WB 1:1000-1:5000                                                                                                                                                                           |
