Product Datasheet

Macrophage, Monocyte Chemotactic Protein-5 (MCP-5, CCL12) (Biotin), Rabbit USB-M1203-03V-BIOTIN

Artikelname	Macrophage, Monocyte Chemotactic Protein-5 (MCP-5, CCL12) (Biotin), Rabbit
Artikelnummer	USB-M1203-03V-BIOTIN
Hersteller Artikelnummer	M1203-03V-Biotin
Alternativnummer	USB-M1203-03V-BIOTIN-100
Hersteller	US Biological
Wirt	Rabbit
Kategorie	Antikörper
Immunogen	Recombinant protein corresponding to mouse MCP-5, expressed in E. coli.
Produktbeschreibung	Chemotactic factor that attracts eosinophils, monocytes, and lymphocytes but not neutrophils. Potent monocyte active chemokine that signals through CCR2. Involved in allergic inflammation and the host response to pathogens and may play a pivotal role...
UniProt	Q62401
Reinheit	Purified by immunoaffinity chromatography.
Formulierung	Supplied as a liquid in PBS, pH 7.2. Labeled with Biotin.
