| Alternativnummer         | USB-N2912-15-100                                                                                                                                                                                                                                              |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | A 16aa peptide within the extracellular, N-terminal domain of human, and a 20-aa peptide mapping at the cytoplasmic, C-terminal domain of rat NMUR2. The neuromedins (Nm) are a family of bioactive peptides best known for their roles in smooth muscle c... |
| Reinheit                 | Highly purified                                                                                                                                                                                                                                               |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2                                                                                                                                                                                                                           |
