| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Produktbeschreibung      | Synthetic peptide, amino acids 78-94 from Phox2a. Control peptide for P4079-02A which recognizes Phox2a (ARIX), (Prd family), a homeodomain transcription factor. The MW of the protein is 29.637kD. Species Reactivity: Human and rodent. Application(s):... |
| Reinheit                 | Purified                                                                                                                                                                                                                                                      |
| Formulierung             | Supplied as a lyophilized powder.                                                                                                                                                                                                                             |
