| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Immunogen                | Purified human TBG.                                                                                                                                                                                                                                           |
| Produktbeschreibung      | Thyroxine Binding Globulin (TBG) is one of three proteins responsible for carrying the thyroid hormones thyroxine (T4) and 3,5,3 triiodothyronine (T3) in the bloodstream, along with transthyretin and albumin. TBG has the highest affinity for T4 and T... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [9L723]                                                                                                                                                                                                                                                       |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with Biotin.                                                                                                                                               |
