| Hersteller               | US Biological                                                                                                                                                                                                                                                       |
| Wirt                     | Mouse                                                                                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                          |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                             |
| Immunogen                | An 11 mer-peptide derived from the sequence of human TIMP-2. Amino acid sequence: DSGNDIYGNPI.                                                                                                                                                                      |
| Produktbeschreibung      | Applications: Suitable for use in Western Blot and Immunohistochemistry. Other applications not tested.<br>Recommended Dilution: Immunohistochemistry: formalin-fixed/paraffin Optimal dilutions to be determined by the researcher.<br>Storage and Stability: M... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                          |
| Klon-Bezeichnung         | [3A3]                                                                                                                                                                                                                                                               |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                                |

|              |                                           |
|--------------|-------------------------------------------|
| Reinheit     | Supernatant                               |
| Formulierung | Supplied as a liquid, 0.05% sodium azide. |
