| Hersteller Artikelnummer | T6020-75                                                                                                                                                                                                                                                      |
| Alternativnummer         | USB-T6020-75-100                                                                                                                                                                                                                                              |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to C-PDPYRQLREK, from human TMEM205, at the internal region of the protein (NP_212133.1).                                                                                                                                     |
| Produktbeschreibung      | In cancer cells, plays a role in resistance to the chemotherapeutic agent cisplatin. Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommended Dilution: ELISA: 1:16,000 Western Blot: 0.03-0.1ug/ml, human pan... |
| NCBI                     | <a href="#">212133</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in Tris saline, pH 7.3, 0.5% BSA, 0.02% sodium azide.                                                                                                                                                                                    |
