| Hersteller Artikelnummer | T8065-23                                                                                                                                                                                                                                                         |
| Alternativnummer         | USB-T8065-23-100                                                                                                                                                                                                                                                 |
| Hersteller               | US Biological                                                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                                                                                                                               |
| Immunogen                | Fusion protein, ~300aa from ~C-terminus of human TOP2 beta                                                                                                                                                                                                       |
| Produktbeschreibung      | The topology of the DNA is a crucial issue in different biological processes like recombination, replication, transcription, and chromatin remodeling. DNA topoisomerases are enzymes that control the amount of supercoiling in DNA. Without topoisomerases,... |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                       |
| Formulierung             | Supplied as a lyophilized powder from PBS, 0.05% sodium azide.                                                                                                                                                                                                   |
