| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Immunogen                | RH strain of Toxoplasma gondii                                                                                                                                                                                                                                |
| Produktbeschreibung      | Toxoplasma is a crescent shaped sporozoan that lives as intracellular parasite in various tissues of vertebrates. It completes its life cycle in a single host. It is transmitted via raw/undercooked meat, contaminated soil or by direct contact. Infect... |
| Reinheit                 | Purified IgG fraction to a purity of 95%.                                                                                                                                                                                                                     |
| Formulierung             | Supplied as a liquid in PBS, 10mg/ml BSA, 0.002% thimerosal. Labeled with horseradish peroxidase (HRP). Estimated molar HRP:IgG ratio: 2-3.                                                                                                                   |
