## Product Datasheet

### **TRAIL, CT (TNF-Related Apoptosis Inducing Ligand, Apo2L, TL2, TNFSF10) (APC), Rabbit USB-T8175-03-APC**

|                          |                                                                                                                                                           |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TRAIL, CT (TNF-Related Apoptosis Inducing Ligand, Apo2L, TL2, TNFSF10) (APC), Rabbit                                                                      |
| Artikelnummer            | USB-T8175-03-APC                                                                                                                                          |
| Hersteller Artikelnummer | T8175-03-APC                                                                                                                                              |
| Alternativnummer         | USB-T8175-03-APC-100                                                                                                                                      |
| Hersteller               | US Biological                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                |
| Immunogen                | Peptide from C-terminus of human TRAIL.                                                                                                                   |
| Produktbeschreibung      | Applications: Western Blotting: 1:500 Optimal working dilutions to be determined by researcher. Note: Applications are based on unconjugated antibody.... |
| NCBI                     | <a href="#">003801</a>                                                                                                                                    |
| UniProt                  | <a href="#">P50591</a>                                                                                                                                    |
| Reinheit                 | Purified IgG prepared by ion exchange chromatography.                                                                                                     |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC).                                                                                  |
