| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Human tertiary troponin complex.                                                                                                                                                                                                                              |
| Produktbeschreibung      | Troponin Complex is a heteromeric protein playing an important role in the regulation of skeletal and cardiac muscle contraction. It consists of three subunits, Troponin I, Troponin T and Troponin C. Each subunit is responsible for part of Troponin C... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [5E850]                                                                                                                                                                                                                                                       |
| Reinheit                 | Purified by Protein A Sepharose chromatography from ascites.                                                                                                                                                                                                  |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC).                                                                                                                                                                                      |
