| Alternativnummer         | USB-T8669-64-100                                                                                                                                                                                                                                              |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Sheep                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Immunogen                | Recombinant protein corresponding to Ala16-Ser247 from human Trypsin 2 expressed in NSO cells.                                                                                                                                                                |
| Produktbeschreibung      | Applications: Western Blot: 0.1-0.2ug/ml with the appropriate secondary reagents to detect human Trypsin 1/2/3. The detection limit for rhTrypsin 1/2/3 is approximately 1ng/lane under non-reducing and reducing conditions. Immunoprecipitation: Used to... |
| UniProt                  | <a href="#">P07478</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a lyophilized powder in PBS, 5% trehalose. Reconstitute with 500ul sterile PBS.                                                                                                                                                                   |
