| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Recombinant protein corresponding to bovine TNF alpha.                                                                                                                                                                                                        |
| Produktbeschreibung      | TNF alpha is produced by a range of cells including macrophages, monocytes, T and B cells, neutrophils and endothelial cells. TNF alpha has a key regulatory role in the bovine immune response, where it is involved in modulating the expression of nume... |
| Reinheit                 | Purified by Protein G affinity chromatography. Endotoxin Level: <0.015EU/ug                                                                                                                                                                                   |
| Formulierung             | Supplied as a liquid in PBS. No preservative added.                                                                                                                                                                                                           |
