## Product Datasheet

### **Tyrosine Hydroxylase (TYH, Tyrosine 3-hydroxylase, Tyrosine 3-monooxygenase) (MaxLight 490), Rabbit USB-T9237-10L-ML490**

|                          |                                                                                                                                                                                                                                                               |

| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |

Formulierung

Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)490.
