| Alternativnummer         | USB-U1622-20-100                                                                                                                                                                                                                                              |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Produktbeschreibung      | AN 18 amino acid peptide sequence between the 3rd and 4th transmembrane domain of human UCP3. The regulation of body weight depends upon the calorie intake and expenditure. It is a very complex and highly regulated process. It involves multiples neur... |
| Reinheit                 | Highly purified                                                                                                                                                                                                                                               |
| Formulierung             | 1mg/ml soln. in PBS, pH 7.4 and 0.02% sodium merthiolate                                                                                                                                                                                                      |
