| Hersteller Artikelnummer | X1013-01A                                                                                                                                                                                                                                                        |
| Alternativnummer         | USB-X1013-01A-100                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                       |
| Applikation              | ELISA                                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to human Xenin 25.                                                                                                                                                                                                               |
| Produktbeschreibung      | Applications: Suitable for use in ELISA. Other applications not tested.<br>Recommended Dilutions: ELISA: 1:25,600 (0.039ug/ml) Optimal dilutions to be determined by the researcher. Amino Acid Sequence: Met-Leu-Thr-Lys-Phe-Glu-Thr-Lys-Ser-Ala-Arg-Val-Lys... |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                   |
| Formulierung             | Supplied as a lyophilized powder from PBS, pH 7.4. Reconstitute completely with 36ul of dH2O, then add 64ul ul of sterile PBS.                                                                                                                                   |
