| Artikelname              | XIAP (API3, Baculoviral IAP repeat-containing protein 4, BIRC4, hILP, HILP, IAP3, IAP-like protein, ILP1, Inhibitor of apoptosis protein 3, MIHA, Xiap, X-linked IAP, X-linked inhibitor of apoptosis protein) (PE), Rabbit                                 |
| Artikelnummer            | USB-X1034-05E-PE                                                                                                                                                                                                                                            |
| Hersteller Artikelnummer | X1034-05E-PE                                                                                                                                                                                                                                                |
| Alternativnummer         | USB-X1034-05E-PE-100                                                                                                                                                                                                                                        |
| Hersteller               | US Biological                                                                                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                  |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to a thirteen amino acid sequence with the C-terminal region of human XIAP.                                                                                                                                                 |
| Produktbeschreibung      | XIAP is an endogenous inhibitor of cell death, which functions by suppressing caspases 3, 7, and 9. The protein is also reported to play a role in the activation of NF kappa B and the regulation of cyclins and cyclin-dependent kinase inhibitors (CD... |
| UniProt                  | <a href="#">P98170</a>                                                                                                                                                                                                                                      |
| Reinheit                 | Purified by affinity chromatography.                                                                                                                                                                                                                        |

|              |                                                                         |
|--------------|-------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. Labeled with R-Phycoerythrin (PE). |
