| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to the middle region of human ZNF75                                                                                                                                                                                           |
| Produktbeschreibung      | Applications: Suitable for use in Western Blot. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stability: May be stored at 4C for short-term only. Aliquot to avoid repeated freez... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [3424C1a]                                                                                                                                                                                                                                                     |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                          |

|              |                                                                                  |
|--------------|----------------------------------------------------------------------------------|
| Reinheit     | Purified by Protein G affinity chromatography from hybridoma culture supernatant |
| Formulierung | Supplied as a liquid in PBS, pH 7.4, 1% BSA, 0.05% sodium azide.                 |
