## Product Datasheet

### **AKT1 (phospho Ser473) recombinant monoclonal antibody, clone 4H12, Clone: [4H12], Monoclonal ABN-RAB08138**

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AKT1 (phospho Ser473) recombinant monoclonal antibody, clone 4H12, Clone: [4H12], Monoclonal                               |
| Artikelnummer            | ABN-RAB08138                                                                                                               |
| Hersteller Artikelnummer | RAB08138                                                                                                                   |
| Alternativnummer         | ABN-RAB08138-50                                                                                                            |
| Hersteller               | Abnova                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ELISA, IF, IHC, IP, WB                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                      |
| Immunogen                | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding Ser473 of human AKT1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human AKT1....                                                       |
| Klonalität               | Monoclonal                                                                                                                 |
| Klon-Bezeichnung         | [4H12]                                                                                                                     |
| UniProt                  | 207                                                                                                                        |
| Puffer                   | In PBS, 150 mM NaCl, pH 7.4 (50% glycerol, 0.02% sodium azide)                                                             |
| Formulierung             | Liquid                                                                                                                     |

|                        |                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | AKT1                                                                                                                                                                                                 |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunohistochemistry (1:50-1:200)Immunoprecipitation (1:200-1:1000)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
