## Product Datasheet

### **PABPN1 recombinant monoclonal antibody, clone 6C3, Clone: [6C3], Monoclonal ABN-RAB08232**

|                          |                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------|
| Artikelname              | PABPN1 recombinant monoclonal antibody, clone 6C3, Clone: [6C3], Monoclonal                        |
| Artikelnummer            | ABN-RAB08232                                                                                       |
| Hersteller Artikelnummer | RAB08232                                                                                           |
| Alternativnummer         | ABN-RAB08232-50                                                                                    |
| Hersteller               | Abnova                                                                                             |
| Kategorie                | Antikörper                                                                                         |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                             |
| Spezies Reaktivität      | Human                                                                                              |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human PABPN1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human PABPN1....                             |
| Klonalität               | Monoclonal                                                                                         |
| Klon-Bezeichnung         | [6C3]                                                                                              |
| UniProt                  | 8106                                                                                               |
| Puffer                   | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                    |
| Formulierung             | Liquid                                                                                             |

|                        |                                                                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | PABPN1                                                                                                                                                                                                           |
| Application Verdünnung | ELISA<br>Flow Cytometry (1:20-1:200)<br>Immunohistochemistry (1:50-1:200)<br>Immunofluorescence(1:20-1:200)<br>Western Blot (1:500-1:5000)<br>The optimal working dilution should be determined by the end user. |
