Product Datasheet

PVR recombinant monoclonal antibody, clone 19C12, Clone: [19C12], Monoclonal ABN-RAB08615

| | |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname | PVR recombinant monoclonal antibody, clone 19C12, Clone: [19C12], Monoclonal |
| Artikelnummer | ABN-RAB08615 |
| Hersteller Artikelnummer | RAB08615 |
| Alternativnummer | ABN-RAB08615-50 |
| Hersteller | Abnova |
| Kategorie | Antikörper |
| Applikation | ELISA, IHC, WB |
| Spezies Reaktivität | Human |
| Immunogen | Original antibody is raised against a synthetic peptide corresponding to human PVR. |
| Produktbeschreibung | Rabbit recombinant monoclonal antibody raised against human PVR.... |
| Klonalität | Monoclonal |
| Klon-Bezeichnung | [19C12] |
| UniProt | 5817 |
| Puffer | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol) |
| Formulierung | Liquid |

| Target-Kategorie | PVR |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA Immunohistochemistry(1:50-1:200) Western Blot(1:500-1:2000) The optimal working dilution should be determined by the end user. |
