## Product Datasheet

### Olfactory Receptor Family 2 Subfamily L Member 5 (OR2L5) Antibody, Unconjugated, Rabbit, Polyclonal ABX324213

|                          |                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------|
| Artikelname              | Olfactory Receptor Family 2 Subfamily L Member 5 (OR2L5) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX324213                                                                                           |
| Hersteller Artikelnummer | abx324213                                                                                           |
| Alternativnummer         | ABX324213-50UG, ABX324213-100UG                                                                     |
| Hersteller               | Abbexa                                                                                              |
| Wirt                     | Rabbit                                                                                              |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | ELISA, IF, WB                                                                                       |
| Spezies Reaktivität      | Human                                                                                               |
| Immunogen                | Synthesized peptide derived from the C-terminal region of human Olfactory receptor 2L5.             |
| Konjugation              | Unconjugated                                                                                        |
| Klonalität               | Polyclonal                                                                                          |
| NCBI                     | <a href="#">81466</a>                                                                               |
| UniProt                  | <a href="#">Q8NG80</a>                                                                              |
| Puffer                   | PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                       |
| Formulierung             | Liquid                                                                                              |

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Target-Kategorie | Olfactory Receptor Family 2 Subfamily L Member 5 (OR2L5) |
| Antibody Type    | Primary Antibody                                         |
