## Product Datasheet

### Anti-Proteasome 20S alpha 2/PSMA2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-PB10088-CY3

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Proteasome 20S alpha 2/PSMA2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                 |
| Artikelnummer            | BOB-PB10088-CY3                                                                                                                        |
| Hersteller Artikelnummer | PB10088-Cy3                                                                                                                            |
| Alternativnummer         | BOB-PB10088-CY3-100UG                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | FC                                                                                                                                     |
| Spezies Reaktivität      | Human, Rat                                                                                                                             |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human PSMA2, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                             |
| Molekulargewicht         | Calculated Molecular Weight: 25899 MW                                                                                                  |
| NCBI                     | <a href="#">5683</a>                                                                                                                   |
| UniProt                  | <a href="#">P25787</a>                                                                                                                 |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                           |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Proteasome subunit alpha type-2               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
