## Product Datasheet

### Anti-KCNA5 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PB9651-BIOTIN

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-KCNA5 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                       |
| Artikelnummer            | BOB-PB9651-BIOTIN                                                                                                                                        |
| Hersteller Artikelnummer | PB9651-Biotin                                                                                                                                            |
| Alternativnummer         | BOB-PB9651-BIOTIN-100UG                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ELISA, IHC, WB                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human KCNA5, different from the related mouse and rat sequences by two amino acids. |
| Klonalität               | Polyclonal                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 67228 MW                                                                                                                    |
| NCBI                     | <a href="#">3741</a>                                                                                                                                     |
| UniProt                  | <a href="#">P22460</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                             |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Potassium voltage-gated channel subfamily A member 5                                                                                                                                                                                  |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
