| Alternativnummer         | BOB-PB9970-FLUORO647-100UG                                                                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                                            |
| Applikation              | FC                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human ZP1, different from the related mouse sequence by four amino acids, and from the related rat sequence by five amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 70049 MW                                                                                                                                                                 |
| NCBI                     | <a href="#">22917</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">P60852</a>                                                                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                           |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                                          |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Zona pellucida sperm-binding protein 1                               |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
