## Product Datasheet

### **Anti-Argonaute 4/AGO4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal** **BOB-PB9979-FLUORO550**

|                          |                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Argonaute 4/AGO4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                 |
| Artikelnummer            | BOB-PB9979-FLUORO550                                                                                                             |
| Hersteller Artikelnummer | PB9979-Fluoro550                                                                                                                 |
| Alternativnummer         | BOB-PB9979-FLUORO550-100UG                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                       |
| Applikation              | FC                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Argonaute 4, identical to the related mouse sequence. |
| Klonalität               | Polyclonal                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 97 kDa                                                                                              |
| NCBI                     | <a href="#">192670</a>                                                                                                           |
| UniProt                  | <a href="#">Q9HCK5</a>                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Protein argonaute-4                                                  |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
