## Product Datasheet

### Anti-Osteopontin/SPP1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-RP1080-BIOTIN

|                          |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Osteopontin/SPP1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                                                                   |
| Artikelnummer            | BOB-RP1080-BIOTIN                                                                                                                                                                                               |
| Hersteller Artikelnummer | RP1080-Biotin                                                                                                                                                                                                   |
| Alternativnummer         | BOB-RP1080-BIOTIN-100UG                                                                                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                      |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                               |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Osteopontin, different from the related mouse sequence by eight amino acids, and from the related rat sequence by seven amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 35423 MW                                                                                                                                                                           |
| NCBI                     | <a href="#">6696</a>                                                                                                                                                                                            |
| UniProt                  | <a href="#">P10451</a>                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                                                                          |
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Osteopontin                                                                                                                                                                                                                           |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
