### Anti-DMRT1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-RP1083-CY3

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-DMRT1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                |
| Artikelnummer            | BOB-RP1083-CY3                                                                                                                                 |
| Hersteller Artikelnummer | RP1083-Cy3                                                                                                                                     |
| Alternativnummer         | BOB-RP1083-CY3-100UG                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | FC                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                              |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human DMRT1, different from the related mouse sequence by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                     |
| Molekulargewicht         | Calculated Molecular Weight: 39473 MW                                                                                                          |
| NCBI                     | <a href="#">1761</a>                                                                                                                           |
| UniProt                  | <a href="#">Q9Y5R6</a>                                                                                                                         |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                   |
| Reinheit                 | Immunogen affinity purified.                                                                                                                   |

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Formulierung           | Liquid                                              |
| Target-Kategorie       | Doublesex- and mab-3-related transcription factor 1 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells       |
