### Anti-FABP4 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-RP1085-BIOTIN

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FABP4 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                  |
| Artikelnummer            | BOB-RP1085-BIOTIN                                                                                                                   |
| Hersteller Artikelnummer | RP1085-Biotin                                                                                                                       |
| Alternativnummer         | BOB-RP1085-BIOTIN-100UG                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | ELISA, IHC, WB                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human FABP4, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 14719 MW                                                                                               |
| NCBI                     | <a href="#">2167</a>                                                                                                                |
| UniProt                  | <a href="#">P15090</a>                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                         |
| Reinheit                 | Immunogen affinity purified.                                                                                                        |
| Formulierung             | Liquid                                                                                                                              |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Fatty acid-binding protein, adipocyte                                                                                                                                                                                                 |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
