## Product Datasheet

### **Anti-Macrophage metalloelastase MMP12 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-RP1089-FLUORO594**

|                          |                                                                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Macrophage metalloelastase MMP12 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-RP1089-FLUORO594                                                                                                                                                                                         |
| Hersteller Artikelnummer | RP1089-Fluoro594                                                                                                                                                                                             |
| Alternativnummer         | BOB-RP1089-FLUORO594-100UG                                                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                   |
| Applikation              | FC                                                                                                                                                                                                           |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of mouse MMP12, different from the related human sequence by thirteen amino acids, and from the related rat sequence by three amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 54971 MW                                                                                                                                                                        |
| NCBI                     | <a href="#">17381</a>                                                                                                                                                                                        |
| UniProt                  | <a href="#">P34960</a>                                                                                                                                                                                       |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Macrophage metalloelastase                                                                                   |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
