## Product Datasheet

### Anti-NM23A/NME1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-RP1090-FITC

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NM23A/NME1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-RP1090-FITC                                                                                                                                          |
| Hersteller Artikelnummer | RP1090-FITC                                                                                                                                              |
| Alternativnummer         | BOB-RP1090-FITC-100UG                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | FC                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human NM23A, different from the related mouse and rat sequences by two amino acids. |
| Klonalität               | Polyclonal                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 17149 MW                                                                                                                    |
| NCBI                     | <a href="#">4830</a>                                                                                                                                     |
| UniProt                  | <a href="#">P15531</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Nucleoside diphosphate kinase A                                      |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
