| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | E. coli-derived human EML4 recombinant protein (Position: K207-N423).                                                                                                                                                                                        |
| Produktbeschreibung      | Boster Bio Anti-EML4 Antibody Picoband catalog A00930-1. Tested in ELISA, Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affin... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 120 kDa. Calculated Molecular Weight: 108 kDa                                                                                                                                                                                     |

|                        |                                                                                                                                                                                                                         |
