## Product Datasheet

### Anti-IKZF3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-A01611-2-FLUORO488

|                          |                                                                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-IKZF3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                      |
| Artikelnummer            | BOB-A01611-2-FLUORO488                                                                                                                                     |
| Hersteller Artikelnummer | A01611-2-Fluoro488                                                                                                                                         |
| Alternativnummer         | BOB-A01611-2-FLUORO488-100UG                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | FC                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                          |
| Immunogen                | E.coli-derived human PARP3 recombinant protein (Position: Q162-Q498). Human PARP3 shares 82.2% amino acid (aa) sequence identity with mouse and rat PARP3. |
| Klonalität               | Polyclonal                                                                                                                                                 |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                      |
| NCBI                     | <a href="#">22806</a>                                                                                                                                      |
| UniProt                  | <a href="#">Q9UKT9</a>                                                                                                                                     |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Zinc finger protein Aiolos                                           |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
