## Product Datasheet

### Anti-PHF6 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-A03065-1-FLUORO488

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PHF6 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                           |
| Artikelnummer            | BOB-A03065-1-FLUORO488                                                                                                                         |
| Hersteller Artikelnummer | A03065-1-Fluoro488                                                                                                                             |
| Alternativnummer         | BOB-A03065-1-FLUORO488-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | FC                                                                                                                                             |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                      |
| Immunogen                | E.coli-derived human PHF6 recombinant protein (Position: Q37-D309). Human PHF6 shares 98.2% amino acid (aa) sequence identity with mouse PHF6. |
| Klonalität               | Polyclonal                                                                                                                                     |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                          |
| NCBI                     | <a href="#">84295</a>                                                                                                                          |
| UniProt                  | <a href="#">Q8IWS0</a>                                                                                                                         |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                    |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | PHD finger protein 6                                                 |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
