### Anti-ACADS/SCAD Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A05028-1-CY3

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ACADS/SCAD Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                     |
| Artikelnummer            | BOB-A05028-1-CY3                                                                                                                         |
| Hersteller Artikelnummer | A05028-1-Cy3                                                                                                                             |
| Alternativnummer         | BOB-A05028-1-CY3-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | FC                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ACADS/SCAD, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 25847 MW                                                                                                    |
| NCBI                     | <a href="#">35</a>                                                                                                                       |
| UniProt                  | <a href="#">P16219</a>                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                              |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                               |
| Formulierung           | Liquid                                                     |
| Target-Kategorie       | Short-chain specific acyl-CoA dehydrogenase, mitochondrial |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells              |
