## Product Datasheet

### Anti-TCIRG1 Antibody Biotin Conjugated, Rabbit, Polyclonal BOB-A05045-1-BIOTIN

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-TCIRG1 Antibody Biotin Conjugated, Rabbit, Polyclonal                                                  |
| Artikelnummer            | BOB-A05045-1-BIOTIN                                                                                         |
| Hersteller Artikelnummer | A05045-1-Biotin                                                                                             |
| Alternativnummer         | BOB-A05045-1-BIOTIN-100UG                                                                                   |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                              |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | E.coli-derived human TCIRG1 recombinant protein (Position: Q48-D680).                                       |
| Klonalität               | Polyclonal                                                                                                  |
| NCBI                     | <a href="#">10312</a>                                                                                       |
| UniProt                  | <a href="#">Q13488</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |
| Formulierung             | Liquid                                                                                                      |
| Target-Kategorie         | V-type proton ATPase 116 kDa subunit a 3                                                                    |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
