### Anti-NOXO1 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A05047-2-HRP

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NOXO1 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | BOB-A05047-2-HRP                                                                                                                                 |
| Hersteller Artikelnummer | A05047-2-HRP                                                                                                                                     |
| Alternativnummer         | BOB-A05047-2-HRP-100UG                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | ELISA, IHC, WB                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | E.coli-derived human NOXO1 recombinant protein (Position: M1-E294). Human NOXO1 shares 71.1% amino acid (aa) sequence identity with mouse NOXO1. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 41 kDa                                                                                                              |
| NCBI                     | <a href="#">124056</a>                                                                                                                           |
| UniProt                  | <a href="#">Q8NFA2</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                     |
| Formulierung             | Liquid                                                                                                                                           |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | NADPH oxidase organizer 1                                                                                                                                                                                                             |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
