## Product Datasheet

### Anti-PDE8A Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A05304-1-PE

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PDE8A Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-A05304-1-PE                                                                                                                                   |
| Hersteller Artikelnummer | A05304-1-PE                                                                                                                                       |
| Alternativnummer         | BOB-A05304-1-PE-100UG                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                             |
| Immunogen                | E.coli-derived human PDE8A recombinant protein (Position: R32-E495). Human PDE8A shares 80.5% amino acid (aa) sequence identity with mouse PDE8A. |
| Klonalität               | Polyclonal                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                             |
| NCBI                     | <a href="#">5151</a>                                                                                                                              |
| UniProt                  | <a href="#">O60658</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                      |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                           |
| Target-Kategorie       | High affinity cAMP-specific and IBMX-insensitive 3,5-cyclic phosphodiesterase 8A |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users.             |
