### Anti-NOL9 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A11105-1-CY3

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NOL9 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | BOB-A11105-1-CY3                                                                                                                                |
| Hersteller Artikelnummer | A11105-1-Cy3                                                                                                                                    |
| Alternativnummer         | BOB-A11105-1-CY3-100UG                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | FC                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                           |
| Immunogen                | E.coli-derived human NOL9 recombinant protein (Position: E131-N636). Human NOL9 shares 64.8% amino acid (aa) sequence identity with mouse NOL9. |
| Klonalität               | Polyclonal                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 79 kDa                                                                                                             |
| NCBI                     | <a href="#">79707</a>                                                                                                                           |
| UniProt                  | <a href="#">Q5SY16</a>                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |
| Reinheit                 | Immunogen affinity purified.                                                                                                                    |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Polynucleotide 5-hydroxyl-kinase NOL9         |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
