## Product Datasheet

### Anti-LSM11 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A11132-1-FLUORO550

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-LSM11 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                             |
| Artikelnummer            | BOB-A11132-1-FLUORO550                                                                                                                            |
| Hersteller Artikelnummer | A11132-1-Fluoro550                                                                                                                                |
| Alternativnummer         | BOB-A11132-1-FLUORO550-100UG                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human, Rat                                                                                                                                        |
| Immunogen                | E.coli-derived human LSM11 recombinant protein (Position: A17-Q360). Human LSM11 shares 88.4% amino acid (aa) sequence identity with mouse LSM11. |
| Klonalität               | Polyclonal                                                                                                                                        |
| NCBI                     | <a href="#">134353</a>                                                                                                                            |
| UniProt                  | <a href="#">P83369</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | U7 snRNA-associated Sm-like protein LSm11                            |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
