## Product Datasheet

### **Anti-WHSC1/NSD2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal** **BOB-A32441-1-FLUORO647**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-WHSC1/NSD2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                  |
| Artikelnummer            | BOB-A32441-1-FLUORO647                                                                                      |
| Hersteller Artikelnummer | A32441-1-Fluoro647                                                                                          |
| Alternativnummer         | BOB-A32441-1-FLUORO647-100UG                                                                                |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Monkey                                                                                               |
| Immunogen                | E.coli-derived human WHSC1/NSD2 recombinant protein (Position: E2-A478).                                    |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 14377 MW                                                                       |
| NCBI                     | <a href="#">7468</a>                                                                                        |
| UniProt                  | <a href="#">O96028</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Histone-lysine N-methyltransferase NSD2                              |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
